MAD DOG SCARE.

Considerable excitement was caused on King street, between Fairfax and Pitt, early yesterday afternoon, by the appearance of what was supposed to have been a mad dog. The canine rushed up and down the two squares, causing pedestrians to scamper to places of safety. One citizen who was attacked by the dog took refuge in a vestibule and wielded his hat as a weapon until it was almost destroyed. The animal caused a stampede among a number of persons who were sitting in front of stores in the neighborhood. Lieut. B. B. and Officer Garvey subsequently arrived on the scene. The latter cast a net over the canine and the lieutenant shot it. During the past few weeks several dogs, believed to have been suffering from rabies, have appeared in different sections of the city. One of the curs bit children in the northern section of the city, while another attacked several other dogs in another quarter of the town. The dogs which were bitten by the mad cur are running at large and liable to develop hydrophobia. About a year ago Mayor Peck very properly started the dog cart on its rounds. It is high time another crusade was being made. In the Church of the Redemption, Locust Point, Baltimore, yesterday morning, Rev. W. A. Crawford-Frost preached on the subject "Does vs. Children," taking as his text Matt. xv., 26: "It is not meet to take the children's bread and to cast it to dogs." The minister called attention to the fact that there are many people in the world who have but little use for children, but who lavish all their affections upon dogs. They are careful to see that the useless curs are fed and kept fat and sleek while many children are suffering for the necessities of life.

REGATTA.

In the regatta at Philadelphia on Saturday poor direction marked the second four-oared shell race, which the Arundel Club, of Baltimore, won from the University of Pennsylvania. Old Dominion, of Alexandria, was third. Arundel led all the way. They were in the center of the river, the Red and Blue being on the east and the Virginia men on the west. Arundel was a length ahead of the three-quarters-mile point. Penn put on power, but steered poorly; then the Old Dominion men, who were two lengths behind, ran close to the east shore. Arundel, who were rowing nicely together, became slightly disconcerted as Penn closed in on them, and started across the river. Penn's men were close behind and also rowed in bad direction, but settled down within a few seconds. The Arundels, despite their dash across the river, managed to win, but narrowly averted a collision with a steamer at the finish. The crew of the Old Dominion Boat Club, was Charles D. Bennett, bow; Edward S. Fawcett, 2; Joseph Richardson, 3; James S. Douglas, stroke. The Old Dominion crew returned to Alexandria this morning. This crew, made up entirely of junior oarsmen, deserve much credit for their showing against the more experienced crews, and it is hoped that they will enter some of the regattas this season. They were only beaten a length by the University of Pennsylvania four, second place, and were always within striking distance of the winners behind but two and a quarter lengths behind them at the finish. The winner, the Arundel four of Baltimore, smashed in the bow of their shell against the stake boat at the finish; the pace was so fast that two of their men collapsed and had to be lifted from the boat.

COLLISION.

A single motor car of the Washington, Alexandria and Mount Vernon Railway bound for Arlington Junction, ran into the car of a Washington, Arlington and Falls Church car at Columbia pike, on the Arlington branch of the W. A. and M. V. R. W. about two o'clock yesterday afternoon. Frederick Munch, motorman of the Mount Vernon car, had his left leg badly injured. A colored passenger, aboard the Washington, Arlington and Falls Church car, had his finger mashed. The motor car of the Mount Vernon car was badly damaged. There were no passengers aboard the Mount Vernon car, but but few in the Falls Church car. Both trains were proceeding at a reduced rate of speed. The Mount Vernon car was closely following the Falls Church car, when the latter came to a sudden stop at Columbia pike. Before Motorman Munch could get his brakes on the collision occurred. Motorman Munch was taken to his home on south Fairfax street, where he was attended by Dr. William M. Smith, the railway company's surgeon. His injuries are not of a serious nature, and he will probably be able to report for duty again in two or three weeks.

WEDDING.

Rev. Alexander Stuart Gibson, minister of the Episcopal churches at Middleburg and Aldie, and a son of Bishop Gibson, was married at Trinity Church, Arlington, to Miss Etta Hall, of that place, at 12 o'clock noon today. Bishop Gibson officiating. The groom's brother, Mr. Church 'U' Gibson, was best man. The bride was attended by a number of relatives and friends of the bride and groom were present at the wedding. After a reception at the home of the bride, Rev. and Mrs. Gibson went on a trip and expect shortly to go to their home at Aldie.

ORDINATION AND CONFIRMATION.

The impressive service of ordination was held yesterday morning in the chapel of the Theological Seminary near this city, when Bishop Gibson ordained three deacons to the priesthood. These were Rev. David H. Lewis, who has charge of the Episcopal Church in Goodwood county; Rev. W. R. Mason, assistant to Archdeacon Neve at the Mountain Mission in Albemarle county, and Rev. L. D. Vaughan, of Essex county.

The candidates were presented by Rev. Professor Wallis, and all the professors joined in the laying on of hands with the bishop. The sermon was preached by Bishop Gibson and was a clear presentation of the stewardship of the Christian ministry. The deacons ordained to the priesthood yesterday will remain at their respective charges where they have done good work. There was a large congregation in which there were friends and relatives of those ordained.

In the afternoon Bishop Gibson visited St. John's Chapel, West End, and confirmed six persons, four of these being young ladies. The bishop made a short address appropriate to the service.

MEMORIAL DAY.

Confederate Memorial Day is being observed in this city today. Committees of Veterans and Sons of Veterans this morning visited the cemeteries and strewed flowers on the graves of the Confederate soldiers buried therein. Later the monument at the corner of Prince and Washington streets was decorated. At 4:30 o'clock this evening the members of Lee Camp and of M. D. Corps Camp, Sons of Veterans, will meet at Lee Camp Hall and headed by the Alexandria Drum Corps will after a short march proceed to the monument where the exercises will be held. These, as heretofore stated, will consist of a prayer by Rev. C. D. Bullis, songs by a choir led by Miss B. Rotchford, and an address by Capt. R. E. Lee. After the exercises the procession will reform and march to Christ Church where the Confederate mound will be decorated and where "taps" will be sounded by a guard from the Alexandria Light Infantry.

The parade will form on Prince street right resting on Alfred and will march from Alfred to King, up King to Payne, countermarch to Fairfax, down Fairfax to Prince, up Prince to the monument.

THE COMING OPERA.

As an evidence of public approval, the tickets for the coming opera of Fadniz are meeting with a sale which far exceeds the expectations of the management or the committee and it is highly gratifying to feel that Alexandria's people will be given an opportunity to witness one of the prettiest comic operas ever staged in America. Several well-known ladies and gentlemen, who have in the past led in dramatics and music and who have been closely identified with performances given by the city's leading musical organization, the Shells and Flats, have expressed their highest approval of the undertaking and recommended the production to lovers of the drama and music. Attention is called to the advertisement in which the names of the principals are given.

A Snow Hurricane.
The buran, or snow hurricane of the Pamirs, is a meteorological phenomenon of great interest. Even in mid-summer the temperature during a snow buran frequently falls to 14 degrees F., while in one winter it dropped to 45 degrees below zero at the end of January. The buran comes with startling suddenness, the atmosphere growing dark with whirling snowflakes where scarcely a minute before the sky was perfectly clear.

He seized her, drew her to him and deliberately struck her. She made no sound. Again and yet again the brute repeated the blow, and still she gave no sign of suffering, but when, with rapidly growing anger, he struck her for the fourth time she shrieked aloud, and her head flew off. She was only a match.—Bohemian Magazine.
